

Joint Committee on Specialist Training

Our Ref: JCST NL003/2021

30 August 2021

SEAMLESS TRAINEESHIP APPLICATION (JULY 2022 ENTRY)

1 The seamless traineeship intake for the following seamless specialties is open for application from 1 September 2021 to 30 September 2021 :

- a) Pathology for
 - i. Chemical Pathology,
 - ii. Forensic Pathology
 - iii. Microbiology

- b) Radiation Oncology

2 Applicants have to submit their application through MOHH eResidency website <https://mohh.workforceoptimizer.com/wfop/web/#/>. All applicants are allowed to apply up to 2 specialties, including the residency programmes.

3 **For Seamless training programmes, passing the intermediate exam is required to advance to the final two years of the programme.**

4 For more details on the eligibility criteria, seamless traineeship application and relevant matters (co-payments, additional training allowances, mandatory courses, etc) of Seamless Traineeship, please refer to **Annexes A and B**.

5 The training requirements for the above specialties could be found in <https://www.healthprofessionals.gov.sg/sab/downloads>.

6 Doctors who have further inquiries on the Seamless Traineeship matters should contact the JCST Secretariat at jcst@ams.edu.sg. For inquiries on the residency application, you may contact Mr. Jimmy Gan at jimmy.gan@mohh.com.sg.

Yours sincerely
